**DETAILS OF SUBMISSION**

The specific provisions of the proposed Plan Change that my submission relates to are as follows:

i do not accept the PC42 floodmaps for our property specifically (27 Elmstie Rd, Pinehaven) and for Pinehaven Silverstream generally.  
 we have evidence that the GWRC/UITCC flood extent for our property is clearly wrong both for topography & flood hazard extent.

(Please use additional sheets if necessary)

My submission is that:

I oppose plan change 42 for the above reasons.

(Please state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons. Please use additional sheets if necessary)

I seek the following decision from the local authority:

That the council withdraws plan change 42.  
 That an independent investigation is carried out to look at the known problems with the flood maps.  
 That we insist on accurate data & floodmaps that address residents legitimate concerns.

(Please give precise details and use additional sheets if necessary)
