**DETAILS OF SUBMISSION**

The specific provisions of the proposed Plan Change that my submission relates to are as follows:

Hazard Maps relating to Pukehaven Stream

*(Please use additional sheets if necessary)*

My submission is that:

The maps are inaccurate and show a far greater inundation area than can be justified - at least around my property at 33A Elmhurst Road. Further, the maps do not take into account local contours - the survey data on which they are based is far too generic and not relevant to local contours.

*(Please state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons. Please use additional sheets if necessary)*

I seek the following decision from the local authority:

That Plan Change 42 be withdrawn until the residents concerns over the flood maps have been properly addressed.

*(Please give precise details and use additional sheets if necessary)*
