### QUESTION 7: WHAT ELSE IS IMPORTANT TO YOU?

Do you have any other feedback on the draft Future Development Strategy?

26. Q7: Tell us more...

Generally support the FDS direction but note the omission of "sites for further investigation during draft FDS development (including with UHCC officers) prior to consultation - with significant uncertainty about growth sites such as the Southern Growth Area in Upper. We seek that these sites be identified as 'sites for further investigation' in the FDS or as the outcome sought.
