No

**The specific provisions of the proposed Plan Change that my submission relates to are as follows**

Berketts Farm Precinct development

---

**My submission is that**

I am concerned that the development will create increased volumes of traffic which will severely impact the local communities. Particularly in relation to the extremely narrow and windy Sierra Way and Blue Mountains Roads. Also of concern is the destruction of significant areas of native forest, and water run off. I wish to be heard in support of my submission

---

**I seek the following decision from the local authority**

Access roads to the proposed development be via Whitemans Valley Road, not Sierra Way.
