No

**The specific provisions of the proposed Plan Change that my submission relates to are as follows**

People live in the countryside to get away from the city, and the proposed plan is to bring it here.

---

**My submission is that**

It's a quick trip over the hill, and many within Whitemans Valley and Mangaroa often get what they need on their way home. The proposed plan appears to be bringing a supermarket with, and it looks like the 15 minute zone is on it's way. The roads here cannot handle the traffic as it is, and the influx of more housing will also destroy the feel of the countryside that everyone lives here for.

---

**I seek the following decision from the local authority**

To focus on the CBD, surrounding suburbs, and leave the countryside as it is.

---

**Please indicate whether you wish to be heard in support of your submission (tick appropriate box)**

**Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the submission (or part of the submission):**

- 1. It is frivolous or vexatious**
- 2. It discloses no reasonable or relevant case**
- 3. It would be an abuse of the hearing process to allow the submission (or the part) to be taken further**
- 4. It contains offensive language**
- 5. It is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.**

I know there are hundreds of people within the community groups who feel the same way I do.
