I could gain an advantage in trade competition through this submission

No

The specific provisions of the proposed Plan Change that my submission relates to are as follows

Traffic, roading, visual eye sore,

My submission is that

The proposed 100 properties off whitemans valley road will make an already dangerous narrow road more dangerous and likely to increase accidents and potential fatal crashes. Additional planning around roads needs to be made clear. The proposed sites will also be visible from my property creating an eye sore and detracting from the rural environment.

I seek the following decision from the local authority

Provide a updated road plan to mitigate risk and reduce the number of proposed properties in this area
