I could gain an advantage in trade competition through this submission

No

The specific provisions of the proposed Plan Change that my submission relates to are as follows

intensification of rural land

My submission is that

I think that Council needs to abandon the higher density housing proposals for Whitemans and Mangaroa Valley. The infrastructure cannot cope with the existing pressure. The environment and amenity value of the rural land is being eroded. Properties should retain a minimum 4 hectare subdivision.

I seek the following decision from the local authority

abandon moves to permit subdivisions smaller than 4 ha
