

Where Upper Hutt gathers to play

DRAFT

# STATEMENT OF STRATEGIC INTENT 2024-2027

### **Our Vision**

Where Upper Hutt Gathers to PLAY

### **Our Purpose**

Te Aka o te Kupenga exists so the Upper Hutt Community can come together through sport and leisure

# About Te Aka o te Kupenga

Te Aka o te Kupenga, Maidstone Park Trust, has been established by the Upper Hutt City Council (the Council) as a Council Controlled Organisation (CCO). The Trust Deed was signed by Council and the seven (7) appointed Trustees in November 2022. The Trust became incorporated on 9 February 2023 as a registered charitable trust under the Charitable Trust Act and on 14 March 2023 became a registered charity.

The Management Agreement between the Council and Te Aka o te Kupenga was ratified by Council on 28 June 2023. This agreement formally appoints Te Aka o te Kupenga as Manager of Te Kupenga o Rongomai (Maidstone Sports Hub), the Artificial Turf and Pavilion.

Te Aka o te Kupenga first took responsibility for managing the Artificial Turf and Pavilion in October 2023. Management of Te Kupenga o Rongomai began on the handover of the completed hub on 1 March 2024.

Our acknowledgement and thanks to Te Atiawa, Ngati Toa and Orongomai Marae for the gifting of our name and that of the hub. A little information on the meaning behind these names is below.

# **Our Beneficiaries**

We exist for the benefit of the Upper Hutt Community, their success is our success.

#### **Foundation Sports**

We would like to acknowledge the Foundation Sports who have been an integral part of the Maidstone Park whanau for many years. These include the Upper Hutt City Football Club, Upper Hutt Rams Rugby Football Club, Heretaunga Boxing Club and Upper Hutt Judo Club. A special thanks and recognition should go to the Upper Hutt Rams RFC, Heretaunga Boxing Club and Upper Hutt Judo Club who have given up their own facilities to support the development of the hub.

We will support each of the Foundation Sports to not only retain their autonomy, identities and traditions, but to thrive.

#### Other community sport, active recreation and leisure groups

The facilities we manage are available for all community users. Whilst the Foundation Sports will have priority access, there is plenty of availability for ALL!

### **Key Contributors**

#### **Upper Hutt City Council**

The Council is both our owner as well as our key partner in providing quality facilities for the Upper Hutt community across Maidstone Park.

#### **Other Contributors**

In order to maintain the facilities to a high standard and ensure they remain affordable for our Foundation Sports and community users, it is important that we are successful in accessing alternative revenue streams. These include:

• Sponsors

- Funders; and
- Commercial/Private Customers

# Te Tiriti o Waitangi

Te Aka o te Kupenga recognises Te Tiriti o Waitangi as the founding document of Aotearoa New Zealand. The Trust will always seek to honour the treaty in the work that we do, in the policies we develop and in the way we manage Te Kupenga o Rongomai on behalf of the Upper Hutt Community.

Key to this is the development and maintenance of a lasting and meaningful relationship with Orongomai Marae and Mana Whenua that contributes to our aim to provide a place where our community can convene and thrive.

Te Tiriti will continue to inform and influence our leadership practice as reflected in our values of Manaakitanga, Kotahitanga and Kaitiakitanga.

Our thanks to Te Atiawa and Orongomai Marae for the blessing of Te Kupenga o Rongomai Maidstone Sports Hub

#### Performance Targets in 2024/25

Given the Trust has only been running the Artificial Turf and Pavilion since October 2023 and Te Kupenga o Rongomai first opened for business in March 2024, we are not yet in a position to set performance targets for Outcomes or Key Result Areas.

During the period, we will report results using the above measures with a view to establishing baselines and setting future targets for the 2025/26 financial period.

# **Financial Disclosures**

#### GENERAL

1. The Trust carries out its own financial administration, appoints its own accountant and operates its accounts independently of the Council. The Trust is considered a public entity under the Public Audit Act 2001 and is required to be audited by the Auditor General.

#### STATEMENT OF ACCOUNTING POLICIES

- 2. Reporting Entity. Te Aka o te Kupenga Maidstone Park Trust is a charitable trust set up to administer facilities on Maidstone Park under a threeyear management agreement with the Upper Hutt City Council. It trades as Te Aka o te Kupenga. Funding is received from operating activities, public donations, sponsorship, and a management fee from the Upper Hutt City Council.
- 3. **Basis of Preparation.** The Board has elected to apply PBE SFR-A (PS) Public Benefit Entity Simple Format Reporting Accrual (Public Sector) on the basis that the Trust does not have public accountability (as defined) and has total annual expenses of less than \$2 million. Reports are prepared using the accrual basis of accounting and assumes the Trust will continue to operate in the foreseeable future.
- 4. **Measurement Base.** The reports have been prepared using a historical cost basis where they are available. However, given this is a new Trust, operating a brand new facility in Te Kupenga o Rongomai, budgeted revenue and expenditure is based on committed contracts and best estimates.
- 5. **Specific Accounting Policies.** The following accounting policies, which materially affect the measurement of financial performance and financial position, are applied:
  - a. Income Tax. No taxation is provided in these accounts as the Trust is exempt from paying tax and holds an Income Tax Exemption Certificate because of its status as a charitable trust.
  - b. Fixed Assets and Depreciation. All tangible fixed assets are recorded at cost or valuation less accumulated depreciation. Depreciation of the assets has been calculated at the maximum rates permitted by the Inland Revenue Department. The rates used are shown on the Schedule of Fixed Assets and depreciation.
  - c. Financial Instruments. The Trust is party to financial instruments as part of its normal operations. These financial instruments include bank accounts, term deposits, accounts receivable and accounts payable. Revenues and expenses in relation to all financial instruments are recognised in the Statement of Financial Performance.
  - d. Goods & Services Taxation (GST). The Trust is registered for GST. All items are recorded in the Financial Statements exclusive of GST, with the exception of receivables and payables, which are stated as GST inclusive.

#### SIGNIFICANT FORECAST ASSUMPTIONS

- 6. The following significant assumptions have been made in the preparation of the forecast financial statements:
  - a. Operational activities from facility hire is based on the estimated usage from our Foundation Sports and an additional 30% hireage from other community and commercial users. Bar sales and associated costs assume there are 40 events held throughout the year.
  - b. The Trust is able to attract donations, grants and sponsorships totalling \$95,000.

#### FUND MANAGEMENT AND INVESTMENT

- 7. The Trust Deed permits the Trust to sell, buy or lease Fund property, and invest money from the Trust Fund, at its absolute and uncontrolled discretion. However, the Fund must be applied solely towards the promotion of the Trust's objects.
- 8. The Trust's policy is that all funds not currently required shall be invested in Term Deposit for an appropriate period.

#### **REPORTING RESPONSIBILITIES**

- 9. Under the terms of the Management Agreement with the Upper Hutt City Council, the following reports are submitted to the Council:
  - a. Half-Yearly Reports cover Financial and non-Financial Performance, including: (i) A statement of financial performance, (ii) All activities undertaken to meet the Objectives laid down by the current Statement of Intent, (iii). An assessment of the outcome of these activities against the Performance Targets and Measures specified for each (noting in this first full year of operations targets and baselines will be set); and
  - b. Annual reports include audited financial statements and summarise the performance of the Trust against the Statement of Intent.
- 10. A Draft 3-year Statement of Intent incorporating a draft set of forecast financial statements is submitted to the Council for its approval by 28 February of each year. This Statement of Intent was submitted on 30 April 2024 as agreed with Council.
- 11. The Trust complies with the Statement of Intent and related reporting requirements of the Local Government Act 2002 relating to Council Controlled organisations including: The provision of a half yearly report by 28 February each year and the provision of an annual report by 30 September each year: the latter will be made available to the public.
- 12. The Council may comment on or question any aspect of any report and may request meetings with the Trust or its officers, or copies of the Reports at any time to review reports and progress generally.

#### FORECAST FINANCIAL STATEMENTS

- 13. The forecast financial statements produced on the following pages are for the three financial years of this strategy; 2024/25, 2025/26 and 2026/27.
- 14. At 1 July 2024, the beginning of this period, the Trust will have been operating the Artificial Turf and Pavilion since October 2023, and the new Te Kupenga o Rongomai facility since March 2024. 2024/25 will be the first full year of operations and as a consequence the forecasts are based on best estimates in the absence of any historical information.

# **Trustees and Trust Committees**

## Structure

Trustees are appointed by the Council. Their appointment may be cancelled by the Council at any time. There will normally be seven Trustees, and never less than three. The Trustees annually elect a Chairperson and may appoint Advisory Trustees at their discretion. Trustees are not remunerated, but the Deed provides for reimbursement of expenses.
